

Scope of Works:
Harbour View Village
Property Number 1928001
Southside Road, St. George's

The Bermuda Housing Corporation invites qualified contractors to submit quotations for the following works:

1. **Removal of Mixed Vegetation: Approximately 4,180 sq meters/ 44,993 sq. ft**
 - Complete removal of all identified vegetation, including but not limited to **Casuarina trees, Mexican Red Peppers**, and other overgrowth.
 - Removal must include all **tree stumps and root systems** to prevent regrowth and prepare the area for future development.
2. **Site Access and Logistics:**
 - **All access to and from the site is to be conducted via the South access point adjacent to "Strikez" bowling lanes – 27 Southside Road.** No other entry or exit points may be used for the duration of the works.
3. **Fencing Installation:**
 - During the perimeter clearing of vegetation removal, the contractor is to **install temporary fencing** to secure the site from public access and ensure safety for the duration of the remaining works.
 - Fencing must comply with relevant safety standards and effectively restrict unauthorized entry.

Tender Requirements:

Interested contractors are required to submit the following by **Friday, July 11, 2025:**

- A formal quotation detailing cost breakdown
- Proposed work schedule
- Proof of relevant insurance and qualifications
- Evidence of past experience in similar works

Tender Submission:

Please submit all documentation to:

Bermuda Housing Corporation
